A guide to becoming a Sponsor for the First Annual New Beginnings Golf Scramble

**Raising
money for a
great cause!**

New Beginnings First Annual Golf Scramble

In lieu of our annual Casino Night, New Beginnings will be hosting a Golf Scramble as our big fundraiser for 2021! Join us this May at the scenic Ben Hawes Golf Course to help support our non-profit mission.

The golf scramble will be held in the traditional fashion, and will be a full day of fun, networking, and prizes, all for a great cause! 100% of the proceeds from the event will be put back into the community in the form of support services that help men, women, and children rise above sexual victimization.

This event is for experienced and casual golfers alike. If you're ready to have a great time while giving back to the community, this is the event for you!
